

The Richardson Guitar Studio is located off McIntire Road, between the Route 250 Bypass and Charlottesville's downtown mall.

From McIntire Road, turn onto Harris Street at the traffic light in front of C'ville Coffee. You can make an immediate right onto Allied Street or turn into the parking lot behind Circa.

To enter the studio from Allied Street, walk up the sidewalk from Circa and go through the door between Virginia Tile and Blue Ridge Beads & Glass. The studio will be at the top of the stairs on the left.

To enter the studio from the back parking lot, look for the RGS guitar logo at the top of the staircase in the middle of the building.

New RGS Band Space!

The band space is located in the former Tulikivi showroom, across the back parking lot from the main studio. The address is 1229-1 Harris Street.
